

FUJIFILM

FUJIFILM - Press Release – April 15th 2008

In association with the *Quinzaine des Réalisateurs*, FujiFilm will once again be present at the Cannes Film Festival. Within the framework of its partnerships, FujiFilm will be welcoming cinema professionals at the Carlton Hotel (Suite 131) and will be organizing private cocktails in association with the *Société des Producteurs Indépendants* (full-length film and short feature cocktail events), Canal + (*La Collection*) and the CST (*Le Rendez-Vous*).

To celebrate its 30th year at Cannes, FujiFilm will be hosting a series of events:

- In FujiFilm's Carlton Hotel suite, the photo studio "*Attrait-Portrait*" will be providing dynamic, funny, user-friendly shoots. New individual or team portraits concept of gift photos offered to Fujifilm's guests!
- And every day, between 11 a.m. and 1 p.m., FujiFilm will be organizing its prestigious *Entractes* on La Croisette open to all cinema professionals.

These will then be covered in "the *Quotidien*" du *Film Français*.
