

Invest in Change for Future Generations.

Harness digitisation and automation to transform the experience of your staff and students.

FUJIFILM
Value from Innovation

5

What's change? Connected alumni.

After graduation, our communication solutions make it easy for you to stay connected with your most valuable promoters and funders – alumni.

We help by facilitating:

- Personalised communications
- Digital fundraising forms.

4

What's Change? Better classroom experiences.

With FUJIFILM Business Innovation, you can bring innovation into the classroom and future-proof teaching.

We help with:

- Unified, collaborative display screens
- 3D desktop printers
- Mobile and cloud printing.

3

What's Change? More productive workflows.

We streamline your operations with integrated workflows so you can focus on the student experience.

We help with:

- Digitised document archiving
- Visitor management and contractor compliance
- Automated, integrated workflows, including accounts payable
- Smart multifunction devices that can be linked to your workflows
- Managed print services.

2

What's Change? Enrolment made easy.

When the decision is made to enrol, we make it easy for students and parents to provide information online and keep all the data secure.

We help with:

- Automated, integrated workflows
- Customised, digital forms
- Data security and governance.

1

What's Change? Attracting more students.

With maintaining and increasing enrolment numbers always top of mind, FUJIFILM Business Innovation is focused on ways to help you stand out from the crowd.

We help by facilitating:

- Personalised prospectuses
- Engaging, branded marketing material
- Customised, dynamic forms.
