SCS80660L5YR	Printer with 1 Yr Wty and 2 x 2 Yr On-site CoverPlus

[1] Certified 98.2% PANTONE® on ILFORD Nano Solvent Premium Photo Paper Gloss at 1440 x 1440 dpi 36 pass and 96.5% on Avery MPI1105 at 1440 x 1440 dpi 36 pass. Results achieved using different print modes and different media types may vary.
[2] Figures are maximum engine speeds only. They do not include provisions for image processing, transfer, drying or post production. Nominated speeds may not be suitable for all media types and/or applications. Alternate print modes may be employed by RIP s/w for different results.

15 L CISS and 4 L waste system combine with a high capacity roll feed, a high precision ATU, and Blower Dryer for efficient roll to roll production.

Advanced tracking and tension control enables output with outstanding linearity and parallelism to suit the most demanding applications including tiling.

The auto head cleaning and filtration systems work with the head guard to ensure superior reliability with low maintenance and reduced cost.

The printer can be managed through the control panel or via Epson Edge Dashboard complete with downloadable print and media profiles, remote e-mail status and error notifications. Epson Edge Print software is powerful yet simple to use with advanced on-screen visualisation.
