Bringing you the best of Toner and Inkjet Technologies.

Innovation Print Award 2024 will focus on FUJIFILM Branded digital presses.

FUJIFILM offers the broadest range of presses for commercial, label, sign and display printing. They are all designed to help printers in their pursuit to maximize their business.

Welcome to Innovation Print Awards 2023

A very warm welcome to the Innovation Print Awards 2023. We are extremely excited and motivated to receive an overwhelming response on the number of submissions and avant-garde designs produced by our customers.

Innovation Print Awards is a platform for widely bringing together and sharing the value created by digital printing and is a contest that deepens knowledge and expertise among people involved in the printing industry and contributes to the development of the industry.

We will be focusing on FUJIFILM branded presses as we continue to strive, in providing the best to our customers – the state-of-the-art technologies the crème de la crème of our toner, inkjet and commercial technologies.

We thank you for the continued support as we celebrate our journey together with Fujifilm's Revoria Press, Iridesse Production Press , Versant, Jet Press and Acuity*.

We look forward to receiving all submissions for the Innovation Print Award 2023.

*FUJIFILM Business Innovation continues to provide maintenance services with respect to products sold under the Xerox and Fuji Xerox Brands.
