

FUJIFILM Business Innovation Philippines Corp.

COMPANY PROFILE

OVERVIEW

In April 2021, Fuji Xerox Philippines, Inc. has changed its name to FUJIFILM Business Innovation Philippines Corp.

FUJIFILM Business Innovation (Japan) is a subsidiary of FUJIFILM Holdings Corporation.

FUJIFILM Business Innovation Philippines Corp. (FUJIFILM BI PH) is a wholly-owned subsidiary of FUJIFILM Business Innovation (Japan), together with other operating companies in Australia, Cambodia, China, Hong Kong, Malaysia, Myanmar, New Zealand, Singapore, South Korea, Taiwan, Thailand and Vietnam.

Established in December of 1965, FUJIFILM BI PH is a leading provider and trusted partner for quality document services and communications, enabling people and businesses to share knowledge across all platforms seamlessly. FUJIFILM BI PH currently employs approximately 200 staff, including a team of industry leading professionals who support our portfolio of document management technologies, IT solutions, and customer communication services.

For over 56 years, FUJIFILM Business Innovation Philippines has brought a range of breakthrough products and services to the Philippine market in line with its long term commitment to help businesses in the country grow. FUJIFILM BI PH offers a holistic eco-system of products and solutions that enable businesses to achieve increased productivity and efficiency while deriving greater value from communications. These include world-class office multi-function devices, cloud and mobile solutions, graphic arts and production printing solutions, multi-channel marketing solutions, and business process management solutions.
