Collaboration Hub

Security Hub

Applications

Enterprise & NGO

“All-in-one” multifunctional design in a single system

Smart Education

Interactive whiteboarding draws student attentions during the whole lesson

Financial Sector

4K resolution provides customers with important market information

Exhibition & Marketing

Wireless projection gives you a tidy and modern showroom

Product Function

Whiteboard

As natural as writing on paper, but better. RSC Series' Intelligent Touch allows you to write with any opaque object, to enjoy a smooth, easy and convenient writing experience.

Wireless Projection

With one click, you can wirelessly present your screen. It works with all modern laptops, tablets and smartphones.

To the Cloud and Beyond

Manage your meeting schedule, save, and open files right from the cloud. The dual operation system application software makes it easy to collaborate anywhere, anytime.

Broadcasting

Enable your off-site teammates to engage in the meeting without any difficulties.
