Christmas Tree

Shacolla wall art
Christmas
edition

Create a Christmas tree on the wall with 10 photos

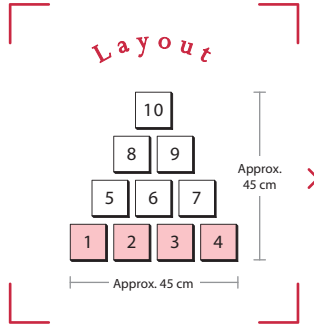

Attach your favorite photos to Shacolla panels and arrange them in the shape of a Christmas tree. This festive wall art will warm up your christmas party!

Items required

- 10 square photos
- 10 Shacolla (Square 4 x 4 size)
- Favorite decoration accessories

1. Peel protective sheet from one side of the Shacolla panel and stick it on a photo. Then, peel off the other side and stick it on the wall.

2. Attach four photos side by side to make the bottom row, and then make upper rows each with fewer photos.

3. Decorate your Christmas tree by adding accessories such as a star or LED lights.

Want a larger Christmas tree? Use 20 photos!

Redesign your wall time after time

- Inexpensive wall decoration
- Easy to assemble
- Transform your decor in minutes
- Re-use again and again
